Key Success Factors

- A (small) enthusiastic team spending a (hell) lot of hours
- “Aim at the moon, at worse you’ll fall into the stars”
- Goodies and partners drive engagement (stickers, t-shirts, certificates coupons, plane ticket…)
- Rely on easy-to-update, scalable communication tools (website, Slack, combo wireless/wired networking…)
- Have fun and enjoy the moment!

Thank you!

(Paris team)
