

# Great Use Cases of Adaptive Learning in Open edX

# Defining adaptive learning

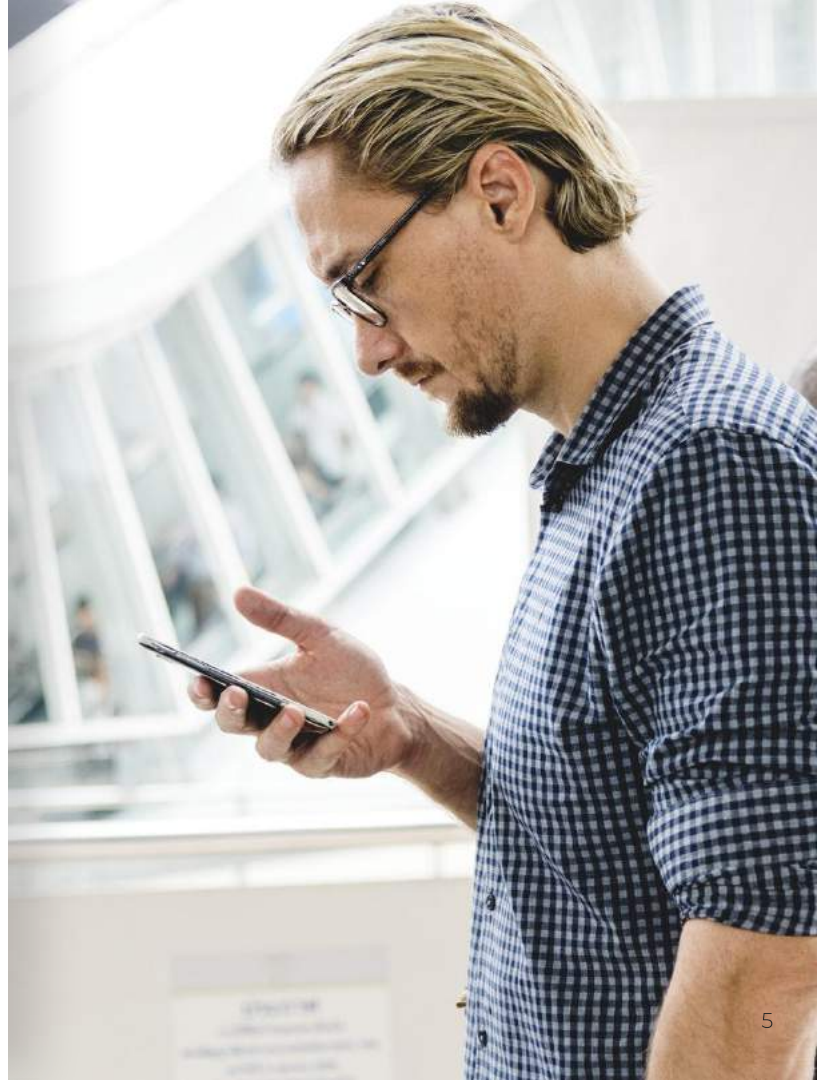

*Education technologies that can respond to a student's interactions in real-time by automatically providing the student with individual support.*

Pearson's "Decoding Adaptive"

**Adaptive learning has the potential to revolutionise the way we learn**

# Worldclass onboarding.

# Tactical Professional Development.

**Just in time**  
**Recruitment.**

**Adaptive  
experiences.**

**Deliver**  
**Lifelong Learning.**
